Colori e finiture stampati su carta sono da considerarsi, sia pure con buona fedeltà al reale, puramente indicativi.

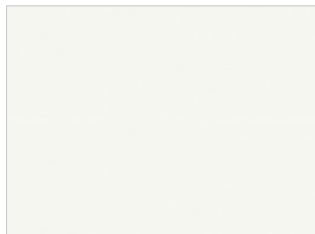

Colors and finishes printed on paper are to be considered, albeit with good fidelity to the real, purely indicative.

Couleurs et finitions imprimées sur papier doivent être considérés, mais avec une bonne fidélité au réel, à titre purement indicatif.

Los colores y acabados impresos en papel deben considerarse, aunque con buena fidelidad a lo real, puramente indicativos.
